CAD Review with Intro to Carlson - 8 hours Hands On Training \$249 Call 919.417.8351 to Register by May 8th - Seats are Limited!

This class provides hands on training focusing on the basics of Carlson Software along with a review of some IntelliCAD/AutoCAD features that will assist you when working with Carlson Software.

Some of the CAD topics to be covered are: drawing template setup, text styles, layer management and working with polylines. Some of the Carlson topics to be covered are: settings & configuration, project management, annotation, working with points and basics of surface modeling.

Please bring your own laptop and mouse. Trial versions of Carlson Civil Suite with IntelliCAD will be provided if needed.

Pre-Requisite: This is an aggressive agenda so a general working knowledge of IntelliCAD or AutoCAD and basic computer knowledge is required of all attendees.
