Boot Camp!

Surface Modeling with Carlson Software

\$299 Call 919.417.8351 to Register - Seats are Limited!

Registration deadline is 4/4/2012. If there are fewer than 5 registered by this date, the event will likely be cancelled or rescheduled.

This 1 day class provides 8 hours of intensive, hands-on training using Carlson's Survey and Civil office software.

Topics for the day will include:

- Intro to existing ground surface modeling
- The best and worst types of data to use when building surface models
- Quality control and troubleshooting surface models
- Using Field to Finish to help build your surface models
- Intro to proposed surface modeling
- Calculating earthwork volumes

You will need to bring your own laptop and mouse. Trial versions of Carlson Civil Suite with IntelliCAD will be provided if needed.

If you run or plan to run Carlson on top of an AutoCAD-based program instead of IntelliCAD, please have the AutoCAD-based program installed on your computer prior to the start of class.

Pre-Requisite: General working knowledge of IntelliCAD or AutoCAD and experience with Carlson Software
